Toys from Home

Please encourage your child to keep their favourite toys at home while they come to nursery.

Lost toys cause tears and upset, please help us to keep all our children happy :)

0-2 Room (1)

The children have been learning about fireworks and colours. They have enjoyed mixing paint and glitter together to create their own fireworks.

We have been developing our outdoors area and are creating a new outdoor water area which we can't wait to explore.

The children have been enjoying local walks collecting leaves and finding insects.

We have also been learning a new Makaton song "I can sing a rainbow".

0-2 Room (2)

The children have been exploring the great outdoors—collecting leaves and making spooky potions in our new mud kitchen. We would be grateful if you could provide your children with wellies, jackets and spare clothes to enjoy our outdoor adventures.

We would appreciate if you would be able to bring in some family photos for our nurture tubs and if you have any used milk tubs.

Due to limited space in the cloak area, we would appreciate if parents could use purple bags provided instead of personal bags for child's belongings.

2-3 Room

The children have been learning about our seasons exploring autumn colours, collecting leaves, making playdough hedgehogs and making muddy puddles in our mud kitchen.

We would appreciate if you could provide your children with appropriate footwear to enjoy outdoor learning.

Recently we have been learning Spanish, we can now sing "Twinkle Twinkle". We have also introduced rhyming songs we are learning "wibbly wobbly".

3-5 Room

We are looking for plastic bottle bases to make Poppy's for remembrance day the 100 year anniversary.

We have been learning all about healthy eating, personal hygiene and our emotions. We have also been making golden rules for our playground.

We have been developing phonological awareness and our focus is rhyme. This plan we have been working on Humpty Dumpty.

Please sign your children in and out.

- Please ensure your child has appropriate clothing and footwear for outdoor play e.g. wellies.
- Please remember to sign your child in and out on the playroom register.
- Please ensure that your child's purple bag has nappies, wipes and spare clothes.
- Please ensure your child has soft shoes for the playroom
