

Welcome to 2014!

Everyone at the Indigo Group would like to welcome all our parents/carers and children back to the Out of School Care after our Christmas break. We hope you all had a fab time and are all looking forward to a great new year. Hope Santa was good to you all!

Parent Participation

The Indigo Group would like to thank all parents/carers for donating items to the Christmas hamper and also for buying raffle tickets, your support is always much appreciated. Well done to our winners!

Christmas Parties

We would like to thank Cash For Kids for their kind donation towards our Christmas parties. With this donation we purchased each child a McDonalds and also they received a selection box from santa! These parties were a great success.

Latest News

Our bases have each purchased new resources for the children to enhance and develop their play. We have purchased dressing up outfits to encourage role play in our setting and we have also purchased new board games and lots of exciting and fun arts and crafts materials. Below are some pictures of the children enjoying free play with their new resources.

Special points of interest:

We are currently updating mobile telephone numbers for our texting service in the event of bad weather and unforeseen circumstances. Please can you ensure that staff have the most updated telephone number.

Mark your calendars
